

PRESS RELEASE

Astragraphia's Net Profit for the First Semester of 2024 has Grown Compared to Last Year

Jakarta, 24 Juli 2024 - PT Astra Graphia Tbk (ASGR) (Astragraphia) reported a consolidated net profit of Rp82 billion as of June 30, 2024, marking a 23% year-on-year (YoY) increase compared to the same period in 2023.

Hendrix Pramana - President Director of PT Astra Graphia Tbk stated, "The increase in net profit is driven by a 2% growth in gross profit from the Document Solutions unit and a 14% rise from the Information Technology Solutions unit. Operational excellence, digitalization across all processes, and enhanced cash flow management have also contributed to the growth in Astragraphia's net profit for the first semester of 2024."

In line with its commitment to being the preferred partner for customers, Astragraphia, along with several graphic art customers, participated in Drupa 2024, the world's largest printing industry exhibition. During this event, customers were invited to visit the FUJIFILM booth, which showcased FUJIFILM's latest innovations offering valuable advancements for graphic art industry players to enhance the printing industry in Indonesia. This visit further strengthens the cooperation between Astragraphia and FUJIFILM, aligning with the company's commitment to continually provide the best technology to its customers in the future.

Astragraphia won two awards from Investortrust Media in May 2024: the Transparency of Corporate Emission Reduction in the Green Category and Transparency of Corporate Emission Calculation in the Gold Category.
