Astragraphia Recorded a Net Income Increase of 21% in the Third Quarter of 2024

Jakarta, 25th October 2024 - PT Astra Graphia Tbk (ASGR) ("Astragraphia") recorded consolidated net income as of September 30, 2024, amounting to Rp 151 billion, increased 21% compared to the same period in 2023.

Hendrix Pramana – Presiden Direktur PT Astra Graphia Tbk stated, "The increase in the Astragraphia's net profit was driven by 17% rise in operating profit. The implementation of operational excellence and improved cash management contributed to Astragraphia's net profit growth in the third quarter of 2024. The company also set several strategic initiatives throughout the 2024 fiscal year, such as strengthening its core business, enhancing service capabilities, and increasing competitiveness in the printing and digital technology sectors.

To promote innovation and efficiency in the workplace, in September 2024, Astragraphia, through its Document Solutions unit, launched the Fujifilm Apeos C2450 S, a color A3 multifunction printer. This printer is designed to meet modern demands for creativity, productivity, and cutting-edge technology that can transform the way people work. With a perfect combination of speed, connectivity, print accuracy, and user security, Astragraphia's color multifunction printer is ready to be the ideal solution for various business sectors and the creative industry.

Astragraphia continues to maintain a spirit of sustainable collaboration to expand its contributions and impact on the creative industry sector in Indonesia. Alongside the Ministry of Tourism and Creative Economy (Kemenparekraf), Astragraphia conducted the 17th Packaging Design Workshop (BEDAKAN) in the Nusantara Capital City (IKN) area as part of efforts to strengthen the visual identity of product packaging. Through its contribution to the BEDAKAN program, Astragraphia gained the opportunity to explore packaging needs, particularly in the IKN region, which has many SMEs with various types of creative products.
